Travel Agent Ronit "Roe" Naccache Offers Something For Everybody

RONIT "ROE" NACCACHE

“We become like family.”

Ronit "Roe" Naccache is in the business of making dreams come true. In fact, she, along with her experienced agents at Boca Express Travel, may be the fairy god-people of travel, taking those few precious earned vacation days and spinning them into carefully crafted adventures.

"I love creating their travel itineraries, their dreams," says Naccache. "When people return, I call to welcome them home and discuss their vacation. In most cases, they tell me that I've met or exceeded their expectations."

For the experts at Boca Express Travel, it's all about the years of experience they have, the personal miles they've logged and the connections they've made along the way. It's these

connections that they pass along to their clients to put the cherry on top of vacation experiences.

"We know that innkeeper at that cute bed and breakfast in Prague," says Naccache. "We'll tell our clients to ask for this certain concierge at this particular hotel in Paris or to tell the owner of that funky little trattoria in Italy that we sent you."

It's that extra something you just can't get by booking a trip online. In fact, the agents at Boca Express Travel have been building lasting relationships for more than 25 years.

"We become like family," says Naccache. "We work within generations. First, we're planning your parents' vacations, and, then, before

you know it, we're helping your kids plan their family vacations."

Naccache, who's been arranging adventures since she was a teenager, enjoys the challenge of nailing down those small details, giving clients special experiences to make each trip unique.

She has also earned the distinction of being an American Express Travel Insider for Israel, ensuring that clients travel like locals, not typical tourists.

Boca Express Travel is a full-service travel agency offering everything from arranging a rental car to a hot air balloon experience over Tuscany to a destination wedding in Cancun. There's something for everyone — you only have to dream big.
